Join students, staff, parents, and alumni... and help us make a difference for our students.

Your ticket purchase will help to:

- Support a future-ready, skilled workforce that keeps our community strong and thriving.
- Provide funding to prepare students for high-demand careers that align with their talents and passions.
- Empower students to innovate, lead, and succeed.

The Central Montco Education Foundation (CMEF) is a non-profit organization that raises funds for scholarships, academic support, materials, and supplies for students attending the Central Montgomery County Technical High School.
