PUBLIC COMMENT: None

PRESENTATION:

Central Montco Education Foundation – Jane Flanagan provided an overview of the foundation. A group of educators creating funds to support CMTHS students while in school and after graduation. The foundation has provided thousands of dollars for scholarships, tools, and equipment for CMTHS programs and students. Our goal is to work closely with Dr. King and the instructors, so that we can determine what students need to be successful.

STAFF PRESENTATION:

Dr. Broderick, Teacher Academy Instructor and EIB Coordinator – Presented an overview of the Equity, Inclusion, and Belonging (EIB) Team at CMTHS. We have 15 staff members that meet

every other week. Each of them is committed to doing equity work here and in the community. The team is carefully looking at the climate survey report to determine areas that need to be addressed immediately. We can improve our communications with students and parents by utilizing Talking Points. An EIB website connected to the CMTHS website allows us to be transparent in our work. Justin Brown, Diversity Awareness Program, will be working with our staff throughout the school year. Our staff can earn micro-credentials that can be earned on their own for free and for college credit. Continued data collection, analysis, and action are part of our research and development. We are looking forward to bringing on People Bench, to develop meaningful action plans. Creating a health equity initiative that will provide breakfast at CMTHS and resources for students to prepare healthy meals.

GUESTS: Jane Flanagan, Central Montco Education Foundation
Dr. Broderick, Teacher Academy & EIB Coordinator

ADMINISTRATIVE REPORTS

James Brunken, Assistant Director

Kick-off of the FanPledge Fundraiser was on October 19, we are now just under \$25,000. These funds will go towards off setting the cost of field trips, and caps and gowns for our seniors. Representative Matt Bradford visited CMTHS and was provided a tour from our student ambassadors. We are hosting a College Fair on November 3, for all students to learn about postsecondary options. We are looking forward to the first Open House of the year on November 16.

Dana Johnson, Supervisor of Daily Operations

The facilities department has been preparing for the winter. We have serviced all heat units and ordered salt. November 2, was National Custodians Recognition Day, we respect and appreciate all they do every day. We have been focused on training our custodial staff. Our vendor Hillyard offered a free training, which included a best practice for cleaning. We are looking at our inventory, our paper supply markup has been 20%.

SOLICITOR'S REPORT:

Currently there is a case pending with the Supreme Court, with school board members and personal FaceBook accounts. There may be some changes coming down the road.

Central Montco Technical High School Grades 10-12 Guidance Plan

821 Plymouth Road
Plymouth Meeting, PA 19462
(610)277-2301

In Accordance

The Central Montco School Counseling Program 10th through 12th grades Guidance Plan has been created in accordance with PA Chapter 339.31: there shall be a written plan on file, approved by the local board of school directors, for the development and implementation of a comprehensive, sequential program of guidance services for kindergarten through 12th grade. The plan must include procedures for providing guidance services to AVTS. Upon request, the plan shall be submitted to the Secretary of Education.

Purpose

The purpose of the Central Montco Technical High Schools Guidance Plan is to implement and maintain a school counseling program that will provide academic, personal/social, and career services for all of its students in conjunction with its 3 sending School Districts' Comprehensive Guidance Programs. Those districts are as follows: Colonial, Norristown and Upper Merion School districts.

Philosophy

Central Montco Technical High School (CMTHS) provides a variety of programs that prepare individuals to enter the workforce or to continue their education at colleges, universities, and technical schools. In addition to occupation-specific training, CMTHS promotes the development of civic responsibility, employability skills, leadership, and professionalism. All programs are competency-based and designed to meet the needs, skills, interests, abilities, and preferences of the individual student.

Mission Statement

Shaping Today's Students for Tomorrow's Careers

CMTHS is also committed to serving the business and industry sector of the community by providing programs that assist in meeting workforce requirements. Central Montco school colors are burgundy & gray. Our mascot is the Hawk.

Vision Statement

It is the vision of CMTHS to continue to provide high-level competency-based career and technical education (CTE) programs, high-level academic integration within each CTE program, and articulated career and post-secondary pathway options for all students.

Core Beliefs

At Central Montco Technical High School we believe:

- All students have dignity and worth
- Every student has the right to be treated with respect and dignity
- Every student has the right to feel safe and welcomed in the school environment
- ALL students can learn and achieve academic greatness when encouraged and nurtured in a respectful environment.
- The school counselor's role is to provide a data-driven, developmental counseling program to meet the needs of ALL students.
- The school counseling program shares responsibility with the community and family for student success
- Students will acquire the attitudes, knowledge, and skills that contribute to effective learning in school and across the lifespan.

- The School Counseling Program is aligned with the American School Counselors Association national model standards and counselors will abide by the ethical standards
- All students should have equal access to counseling services to address their academic, personal, and social/emotional needs.

2022

School Counseling Program Goals

Academic Domain:

- National Standard 1: Students will acquire the attitudes, knowledge and skills that contribute to effective learning in school and across the lifespan.
- National Standard 2: Students will employ strategies to achieve success in school.
- Increase career awareness and planning with all students through career exploration, job shadows, field trips, co-op opportunities, exposure to post-secondary institutions and employers
- ASVAB testing offered to all students yearly
- Collaborate with Special Education to assure students are able to meet their full potential. Provide feedback and attend IEP meetings as deemed necessary
- Meet with students individually, in small groups, and in their programs to develop career plans and work towards earning industry certification and complete their Program of Study.

Personal/Social Domain:

- National Standard 6: Students will understand the relationship between personal qualities, education and training, and the world of work.
- National Standard 7: Students will acquire the attitudes, knowledge and interpersonal skills to help them understand and respect self and others.
- National Standard 9: Students will understand safety, and survival skills.
- Develop interpersonal skills through individual meetings, small groups classroom guidance lessons, ambassador program, and Student Support team interventions

- Maintain a safe school environment by having clear expectations and standards for student interactions and behaviors. All staff will enforce the policies set forth in the student handbook which aligns with our core beliefs.

Career Domain:

- National Standard 4: Students will acquire the skills to investigate the world of work in relation to knowledge of self and to make appropriate career decisions.
- National Standard 5: Students will employ strategies to achieve future career success and satisfaction.
- National Standard 8: Students will make decisions, set goals, and take appropriate action to achieve goals.

Role of Stakeholders

Advisory Council- The members of the Advisory Council support the school's counseling department and act as a liaison between the CMTHS Schools Counseling Department and the stakeholders. Additionally the Advisory Council serves as an accountability tool to provide feedback on the effectiveness of the school counseling program.

The Advisory Council will meet twice a school year. In the fall the team will meet to review the school counseling proposed projects, programs and goals. In the spring the team will meet to discuss how well the school counseling department met the initial goals from the fall.

Students- As a stakeholder in their education experience, students can give feedback and information in a holistic experience while at CMTHS. Students will learn employment skills of their trade that they can use later in life.

Parents-Parent engagement is a key component to student success in school. Parents will have the opportunity to share ideas and concerns with the counseling team. Parents should advocate for their child's academic, social, and emotional well-being. Consistent communication is needed with parents and families for students to reach their full potential.

Educators- Administrator set the schools tone and policies, while teachers deliver curriculum, offer guidance, and create a supportive classroom environment for students.

Business/Community- Partnering with local businesses, business owners and community agencies provides opportunity for student engagement and industry feedback. Our Occupational Advisory Committee (OAC) members and Local Advisory Committee (LAC) members are the fundamental connections for our students' success during high school and post-graduation.

Post Secondary-The post-secondary career options (college, trade school or workforce) provide our students with opportunities to explore the economy and industries of their choice. We invite guest speakers to present to our students. Also, students take advantage of our Work-based learning.

Role of School Counselors

- A. As a Leader- Development, delivery, and evaluation of school counseling programs, serve on school leadership and core teams, support school staff and make the school a safe and welcoming environment to learn.
- B. As an Advocate- Member of the school support team. Advocate for all students to remove barriers to learning and strive to achieve the social, emotional, academic, and career success of every student. This is achieved by providing counseling and advising to all students. To ensure equal access to education and career exposure to all students.
- C. As a Collaborator- Collaborate with all members of the school community and stakeholders which include but are not limited to: staff, parents, students, educational community, school safety team, student support team, business, and industry members and post-secondary partners.
- D. As an Agent of Systemic Change-Utilize data-informed practices to identify areas that need adaptation to ensure student achievement by fully participating in school improvement, taking initiative as leaders, developing a wide support system, and utilizing the data to identify and rectify issues that impact students ability to achieve at expected levels.

Pennsylvania State Board of Education, Chapter 4 Section 4.31(e) states that a student's record shall include the student's educational and occupational objectives. This form, PDE-408 or a similar, locally developed form must be completed and signed each school year by the student enrolled in planned technical courses/instruction offered by the program and must be maintained in school files. The Office of the Auditor General will review student records to determine if the technical courses/instruction taken by the student coincides with the planned courses/instruction documented for the approved CTE program.

The Pennsylvania Department of Education (PDE) does not discriminate in its educational programs, activities, or employment practices, based on race, color, national origin, sex, sexual orientation, disability, age, religion, ancestry, union membership, or any other legally protected category. Announcement of this policy is in accordance with State Law including the Pennsylvania Human Relations Act and with Federal law, including Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination in Employment Act of 1967, and the Americans with Disabilities Act of 1990.

Book	Policy Manual
Section	900 Community
Title	Public Relations Objectives
Code	901 - NEW
Status	From PSBA

Purpose

The purpose of the community relations program is to establish and maintain communication that informs the public and involves them in the educational goals and programs of the school.

Authority

To achieve this purpose, the Joint Operating Committee shall provide students, parents/guardians and other residents opportunities to receive information and orientation regarding the school and the vocational programs. The Joint Operating Committee will utilize all appropriate means and media to achieve its public relations objectives.

Guidelines

The objectives of the school's public relations program shall be to:

1. Explain the programs, achievements and needs of the school.
2. Determine what students, residents, business, and industry expect from the school and what they want to know about the school's programs and operations.
3. Keep students, parents/guardians and staff members fully informed about relevant Joint Operating Committee policies and procedures and their own responsibilities and rights.
4. Communicate factual information to avoid rumors and communication crises.
5. Involve students, parents/guardians and the community in discussions regarding education programs, student activities and Joint Operating Committee policy.
6. Operate in public session, as speedily and efficiently as circumstances permit and with appropriate public participation. [1][2][3]
7. Recognize students and their achievements.

Delegation of Responsibility

It shall be the responsibility of all staff to:

1. Acquaint parents/guardians and residents with the educational achievements of the school, students and staff.
2. Give courteous and thoughtful consideration to all inquiries and suggestions and carefully investigate all complaints.

Book	Policy Manual
Section	900 Community
Title	Public Attendance at School Events
Code	904
Status	From PSBA

Purpose

The Joint Operating Committee welcomes the public at activities and events sponsored by the school, but the Joint Operating Committee also acknowledges its duty to maintain order and preserve school facilities and health and safety during such events. This policy establishes conditions, restrictions and procedures to regulate public attendance and conduct at the school and school-sponsored activities.

Definition

State law defines the term **tobacco product** to broadly encompass not only tobacco but also vaping products including the product marketed as Juul and other electronic cigarettes (e-cigarettes). **Tobacco products**, for purposes of this policy and in accordance with law, shall be defined to include the following:[1][2]

1. Any product containing, made or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed or ingested by any other means, including, but not limited to, a cigarette, cigar, little cigar, chewing tobacco, pipe tobacco, snuff and snus.
2. Any electronic device that delivers nicotine or another substance to a person inhaling from the device, including, but not limited to, electronic nicotine delivery systems, an electronic cigarette, a cigar, a pipe and a hookah.
3. Any product containing, made or derived from either:
 - a. Tobacco, whether in its natural or synthetic form; or
 - b. Nicotine, whether in its natural or synthetic form, which is regulated by the United States Food and Drug Administration as a deemed tobacco product.
4. Any component, part or accessory of the product or electronic device listed in this definition, whether or not sold separately.

The term **tobacco product** does not include the following:[1][2]

1. A product that has been approved by the United States Food and Drug Administration for sale as a tobacco cessation product or for other therapeutic purposes where the product is marketed and sold solely for such approved purpose, as long as the product is not inhaled.
2. A device, included under the definition of tobacco product above, if sold by a dispensary licensed in compliance with the Medical Marijuana Act. *Federal law requires the school to maintain a drug-free environment, at which marijuana of any kind is prohibited.*[3][4]

Authority

The Joint Operating Committee has the authority to **prohibit at a school event the attendance of any individual whose conduct may constitute a disruption.** The Administrative Director or designee and building administrator may limit attendance to designated areas or may limit the number of attendees to school events when necessary to protect the health and safety of students, staff and the public, in accordance with Joint Operating Committee-approved health and safety plans and guidance from state and local officials.

The Joint Operating Committee prohibits gambling and the possession and use of controlled substances prohibited by state or federal law, **alcoholic beverages and weapons on school premises.**[5][6]

Attendees shall be informed of the school's health and safety rules through announcements and posting of appropriate signage. Health and safety rules must be followed prior to entry and while attendees are in school buildings and on school property, in accordance with Joint Operating Committee policy, school procedures, the Joint Operating Committee-approved health and safety plans and guidance from state and local officials.[7]

Tobacco and Vaping Products

The Joint Operating Committee prohibits use of tobacco and vaping products, including the product marketed as Juul and other e-cigarettes, **by any persons at any time in a school building; on school buses or other vehicles that are owned, leased or controlled by the school;** or on property owned, leased or controlled by the school.[2][8]

This policy does not prohibit possession of tobacco and vaping products, including the product marketed as Juul and other e-cigarettes, by members of the public of legal age at the school or school-sponsored activities.

The Joint Operating Committee deems it to be a violation of this policy for an individual in attendance at the school or a school-sponsored activity to furnish a tobacco or vaping product, including the product marketed as Juul or any other e-cigarette, to a minor.[1]

Delegation of Responsibility

A schedule of fees for attendance at school events shall be prepared by the Administrative Director or designee and adopted by the Joint Operating Committee.

The Administrative Director shall ensure that this policy is posted on the school's publicly accessible website.

Reports

Office for Safe Schools Report -

The Administrative Director shall annually, by July 31, report all incidents of prohibited possession, use or sale of tobacco and vaping products, including Juuls and other e-cigarettes, **by any person on school property to the Office for Safe Schools on the required form.**[9][10]

Law Enforcement Incident Report -

In accordance with state law and regulations, the procedures set forth in the memorandum of understanding with local law enforcement and Joint Operating Committee policies, the Administrative Director or designee may report to the school police, School Resource Officer (SRO) or to the local police department that has jurisdiction over the school's property, the use or sale of tobacco or vaping products, including Juuls and other e-cigarettes, by any person in a school building; on a school bus or other vehicles that are owned, leased or controlled by the school; or on any property owned, leased or controlled by the school.[1][2][9][10][11][12][13]

Guidelines

Service Animals

Individuals with disabilities may be accompanied by their service animals while on school property for events that are open to the general public in accordance with Joint Operating Committee policy and state and federal laws and regulations.[\[14\]](#)[\[15\]](#)[\[16\]](#)
